

DBX1000

DBX1000 Plastic Dryer Vent Box with Snap on Trim Ring

- ***Made out of High Impact Polystyrene***
- ***Comes in a 5 1/2 deep size for 2x6 framing***
- ***Snap on trim ring helps eliminate extra drywall, caulking and paint repairs***
- ***Each box has knockouts for direct venting, down venting & up venting***
- ***Comes with knockouts for gas pipe on top and bottom of the box***
- ***Box can be rotated to accommodate any type of venting***
- ***DBX1000 is wider than our DBX1000M in order to help you accommodate for larger stud cavities***
- ***White in color to match the washer box***
- ***Can also be used behind gas stoves to recess the gas hose connection***
- ***Comes with a strap to help attach the box to one of the studs***
- ***UL Recognized plastic***
