VENT BOXES.**

# DBX1017FR6

- ✓ Meets IRC and IMC Code
- ✓ Optional Snap On Trim Ring
- ✓ Reduces Labor Costs

## DBX1017FR6

### METAL DRYER VENT BOX

The DBX1017FR6 Metal Dryer Vent Box is powder-coated white for a clean, finished appearance. Measuring 10" wide by 17" tall, it is designed to fit seamlessly into a 2x6 framed wall. The unit is tested and rated to meet up to 2-hour equal F&T fire rating requirements for through-penetration fire-rated systems. An optional snap-on trim ring is available for a sleek, professional installation.
