- ✓ Meets IRC and IMC Code
- ✓ Optional Snap On Trim Ring
- ✓ Reduces Labor Costs

## DBXMB1424

### METAL DRYER VENT BOX

The DBXMB1424 Metal Dryer Vent Box is powder-coated white for a clean, finished appearance. Measuring 14" wide by 24" tall, it is designed to fit seamlessly into a 2x6 framed wall. The unit is tested and rated to meet up to 2-hour equal F&T fire rating requirements for through-penetration fire-rated systems. An optional snap-on trim ring is available for a sleek, professional installation.
